To say our first Christmas in Baldwin County CD was a success would be a considerable understatement. They sold out early. Obviously, we were encouraged by that response. It showed that Baldwin County residents not only enjoy seasonal music, but are more than willing to assist their less fortunate neighbors. Because of this, everyone at Baldwin EMC greeted Christmas 2002 with a warm, inner glow. I hope you'll share that feeling this year.

Some of the church choirs that participated in last year's project returned. Others appear for the first time. I'd like to sincerely thank them all. Their talents are only surpassed by their commitment to helping others. Some were accompanied by only a piano, others an array of guitars, drums, saxophones, oboes and flutes. They came of all ages. The child's voice you hear at the beginning of Faith Tabernacle's "Christmas Every Day" is 7-year-old Hailey Daigle.

I wish to give special thanks to First Baptist Church of Loxley for allowing us to record this CD in their beautiful sanctuary. Choir director Russ Murfin and his assistant Jimmy Williamson, went far out of their way to ensure this project's success. I'd also like to thank the narrators of Luke, Chapter Two for sharing their voices in this distinctive reading. And finally, my appreciation to the Rockwell Elementary children's choir and principal Robbie Owens for their unique contribution.

We hope you enjoy our Christmas in Baldwin County 2003 and on behalf of everyone at Baldwin EMC, we wish you the best this holiday season.

Sincerely,

E.H. "Bucky" Jarkin Jr
