Working for Seniors in District 3

1 Improve our Quality of Life.

Mike Dean has provided four new senior & community centers in our district, including Grand Bay, Coden/Bayou la Batre and Tillmans Corner. Mike Dean has also partnered with Connie Hudson to construct the west Mobile senior center which will serve as a shelter during emergencies - complete with oxygen and special power provisions. Mike Dean is working to keep our seniors happy.

2 Grants for Prescription Drugs and Meal Assistance

Mike Dean is concerned about the rising cost of living on our seniors. Mike has worked with AARP, Franklin Healthcare, Area Agency on Aging and others to help make senior living more affordable. In addition to transportation and community grants, Mike is focused on identifying grant money to help our seniors with prescription drugs and the delivery of hot meals to their home. Mike Dean is doing something about keeping our seniors healthy!

3 Increased Emergency Response

Since Mike Dean has been in office, the County Commission has provided RECORD level funding for the Sheriff and volunteer firefighters in our county. Mike delivered grant money to help those who were robbed by dishonest contractors after the hurricane and is working with the Attorney General to stop these vendors from taking advantage of you. Mike Dean is working to protect our seniors.

4 12,000 New Jobs

New jobs will help our seniors by creating a new base of taxpayers. Mike Dean wants to reduce the taxes on seniors and young workers will help accomplish that. New jobs also means new opportunities for your family. Many seniors are welcoming back family members who have moved away and are now returning for high paying jobs. Mike Dean loves to see seniors surrounded by their family!

5 Lower Taxes for Seniors

Mike Dean has asked the legislature to pass a constitutional amendment to freeze property tax values for seniors in Mobile County. Baldwin County already has such a law and Mike Dean believes our Mobile County Seniors deserve the same. Mike Dean has opposed new property taxes and is proud that the progress we have made comes with NO NEW TAXES.
