Dear Voter,

Election day is Tuesday, so I would like to take this last moment to thank you for giving me your consideration. All across district 15, you have opened your doors, shaken my hand, taken our phone calls, and even put our signs in your yards. The support we have seen from across the district has been humbling to say the least. Sally and I, our children, parents, and volunteers—all thank you from the bottom of our hearts.

I knew that political campaigns could be tough, and I had been warned about my opponent's tactics, but I honestly didn't expect him to begin attacking me with such dirty commercials on day one. But, as you've seen...I will not back down from pressure or attacks. The decision to make a change and elect a senator who truly represents the people in our district and has no political ties is far too important. I want you to know that you can count on me to stand up for you and for what's right, no matter what.

I hope you will give me the honor of having your vote this coming Tuesday, June 1. If you have a question that I haven't answered or something comes across your mind now or after the election please feel free to call me on my cell phone at 205-913-7676.

Thank you again, and please remember to tell everyone you know: vote for change on June 1— vote for Slade Blackwell.

Sincerely,

A handwritten signature in black ink that reads "Slade".
